

Grace Bible Church
CHILDREN'S SUNDAY
SCHOOL PROGRAM
2011-2012

Dear parents,

We're pleased to unveil a brand-new children's Sunday school program! It is centered around a hands-on, culturally-relevant curriculum designed to flow from grade to grade in a progressive and cohesive fashion, presenting students with a well-rounded, Biblically-sound understanding of the things of God. This curriculum strives to incorporate breadth of subject matter with depth of instruction, relying on God's Word as the sole authority in all matters. Some of the goals of this program are:

- (1) to point students to Jesus Christ for salvation and day-to-day guidance,
- (2) to offer spiritual "meat," rather than simply "milk," in age-appropriate ways,
- (3) to help children discern the Truth and be able to stand firm in that Truth,
- (4) to encourage believing children to use their spiritual gifts as they abide in Christ,
- (5) to mentor students in service to the Lord by serving alongside them,
- (6) to tangibly show students the love and grace of God,
- (7) to provide relational and prayer support to students as this dark world bombards them with deception and temptation,
- * (8) to glorify our Most High God who alone is worthy.

Our teachers and substitutes have been carefully prescreened and approved by the Grace Bible Church board of elders and pastors. We are all enthusiastic about having the God-given privilege of serving your children!

Sunday school is intended to be supplementary to what parents are teaching their children at home. We want to help in whatever ways we are able. Parents will be receiving monthly newsletters outlining what the children will be learning in Sunday school during the coming month, lists of helpful resources, and challenges for children and their families outside of class time. Check out the bulletin board in the children's hallway often, too! If you wish to look over the full scope of the Sunday school program from preschool through eighth grade, it will be posted on the Grace Bible Church website (www.escapetograce.org). A medium-range aspiration of our program is to begin to assemble a children's library with abundant resources to support your family as you grow in the Lord together.

Questions? Contact Grace Bible Church at 608-742-5090. You may also speak directly with your child's teacher, or you may contact the children's Sunday school superintendent (Laura Novey) or the assistant superintendent (Valerie Schultz).

Be sure to complete a registration form for each of your children and return it to the church office. Registration forms will be available in the church office, as well as on our website.

Stay tuned...more information will follow.
